Dear Prospective Camper and Family,

Thank you for your interest in our camp. Take a sigh of relief because you have just found your new summer camp home and you can look forward to memories of a lifetime! Our formula for success adds up to a 77% camper return rate and a 100% staff return rate. In the past two summers alone, campers and counselors have earned 14 five-year sweatshirts and 5 ten-year blankets.

Coming from all over the world, camp is a diverse community that creates a dynamic family of close friendships and good times. Featuring a structured and highly organized program, we have developed an optimal mix of both individual choice and group activities. The best news of all are the benefits that you will see with tremendous growth and maturity when your camper(s) return home.

Who you buy from can be just as important as what you buy. Don't be fooled by lower prices or false claims. Long-term private camping is very different than agency camps and those (or other programs) with high staff to camper ratios and "turn-style" systems with campers moving in and out each week. Conversely, our program is designed to build excitement with a crescendo effect culminating in a highly anticipated and event filled final week.

We are dedicated to excellence. Staff is extensively trained and the program is dynamic and carefully designed. Age appropriate activities, leadership and creative opportunities abound. As an American Camp Association (ACA) accredited camp, and with more than a combined 35 years of private camping experience, we take great pride in being experts with every nuance in camping. We meet each challenge to make your experience the best.

Applying for enrollment at our camp is a winning decision, and now is the best time to act. In order to apply, please complete the enrollment application, review the terms on the reverse side, sign and return in the enclosed self-addressed and stamped envelope. Once we receive your application and it is approved, we will notify you of your child's acceptance into the program. If the age group for which you have applied is full, we will notify you and put you on the waiting list. In keeping with our low camper to staff ratio, all age groups have a limit of 8 campers for boys and 8 campers for girls.
